Something is going on. K division special tactics have a couple of trailers and at least 1 LAV here. Quite a few cops. Number of trucks southbound very small. Big bunch on the north side toward the crossing up toward MR. Joanne's catering.

iMessage Message received from Lori Rolfe 1/30/2022 1:17:35 PM

I know the cops aren't letting trucks south of MR. It's packed up there. I don't know why they aren't letting north bound through. Darren talked to the RCMP this morning to see if he would be allowed to come back. They said yes

Fyi

The Alberta RCMP recently became aware of a small organized group within the larger Coutts protest. Information was received that this group had access to a cache of firearms with a large quantity of ammunition. The group was said to have a willingness to use force against the police if any attempts were made to disrupt the blockade. This resulted in an immediate and complex investigation to determine the extent of the threat and criminal organization.

As a result of this investigation, the Alberta RCMP executed a search warrant during the early hours of Feb. 14, on three trailers associated to this criminal organization. This resulted in the arrest and detainment of 11 individuals.

As result of these search warrants, the following was seized:

- 13 long guns
- handguns
- multiple sets of body armour
- a machete
- a large quantity of ammunition
- high capacity magazines

An example of the militant mindset of a small segment of the protest, earlier in the evening, at approximately 8:00 p.m., a large farm tractor and a semi truck, both involved in the blockade, attempted to ram a police vehicle. The police officer was able to reposition and avoid the collision. RCMP officers followed the suspects to a location where the protesters were gathered. The driver of the tractor was identified and we are actively working to locate him so he can be taken into custody. The Alberta RCMP have seized the farm tractor and semi truck involved in this incident.

The Alberta RCMP wants to emphasize that our primary goal throughout this event has been and will continue to be the safety of the public, as well as our officers.

The Alberta RCMP will resume efforts to end the illegal blockade which has prevented access to the Coutts border. We encourage all participants who

are involved in this illegal action to leave immediately or relocate to the designated site for the legal protest.
The Alberta RCMP will provide further updates as they become available.
